

MNR Coaching

Sports Specialist

Salary – £12ph - £20ph (15 – 30 hours per week available dependant on qualifications/availability)

Location – West Berkshire (Reading/Newbury)

Start Date – Immediate

MNR Coaching have an exciting opportunity for coaches looking to further their experience in the industry and build experience within the Primary School + Community sectors. The successful applicant should ideally have experience in coaching young children (4-11 years old) and relevant pre-requisites completed (information below).

Opportunities for the successful candidate will include gaining experience working within school sports networks (School Services), within community programmes, holiday camps and supporting NGB (National Governing Body) development programmes to promote sports in schools and club settings.

Main Roles and Responsibilities:

- Planning, preparing, and delivering a fun, engaging and progressive coaching programme to children (4-11 age group)
- Implementing good practice and administering First Aid and Safeguarding procedures when necessary within coaching programmes
- Ensuring good group management skills are implemented to ensure all children are engaged throughout the programmes and focused on the activities
- Completing performance reports and tracking progress of each young person taking part in the programmes delivered
- Liaising with pathway/community links to provide exit routes for each young person taking part in the programmes delivered
- Supporting and engaging in the community to provide opportunities to young people to take part in recreational sport.

Essential Requirements for the role:

- At least 1 x recognised NGB Qualification in traditional sport(s) – level 1 or above
- Experience in delivering to children (4-11 age bracket)
- Full, clean DBS (renewed within the last 3 years)
- Updated First Aid/Child Protection Certificate (or willingness to self-fund an update by the start date).

Desirable Requirements for the role:

- Numerous NGB Qualifications in a range of sports.
- Experience in teaching PE lessons/ASCs in Primary Schools
- Experience of delivering holiday club provision.

Advantages to working with MNR Coaching

- Full kit and equipment to ensure high quality delivery.
- Support with funding to gain relevant CPD (continued professional development)
- Small, friendly team motivated to give guidance and support to any new member with initiatives
- Flexible opportunities to work full-time either through delivering sports throughout the week or splitting duties between coordinator and delivery
- Networking opportunities with a few different organisations allowing a range of upskilling opportunities throughout the role.
- Bonus Schemes available throughout the different sectors to increase earnings
