

501 Club

Become a Friend of Berkshire Youth

Join our 501 Club and help the young people of Berkshire.

Berkshire Youth provides support and services to a range of clubs and projects and also supports, empowers and inspires young people through a wide range of activities, life skills and training opportunities throughout Berkshire.

As part of the fundraising efforts the Friends of Berkshire Youth run the 501 Club with membership costing just £12 per year for one number. After a small charge for administration the money is split equally between the prize funds and fundraising for Berkshire Youth. Monies raised through fundraising support the projects and programmes of Berkshire Youth.

The draws take place on the 1st day of February, April, June, August, October and December. The December draw will be a Bonus Draw Month with 4 winners instead of 3.

Membership numbers can be bought for yourself or as gifts for family or friends. Membership can be taken up at any time of the year and is open to individuals, youth clubs and groups. Members will receive regular updates on all our activities through our Supporters Newsletter which is distributed every 2 months.

Members must be aged 16 or over.
