GOOGLE I.T. SUPPORT CERTIFICATE

Training starts late
May/early June

**INCO ACADEMY
WORK IN TECH**

Kickstart your career in Tech.

On this free course, you'll receive a combination of live online training and private study to equip you with the skills you need to secure a great job in IT support.

The course is three months long, with 15-20 hours of study per week. When you pass, you'll receive a highly respected certificate to impress potential employers with.

All our support is free of charge. To apply you need to be a motivated learner, aged 18 - 30, live in London, not in education, training or stable employment and looking for a career in IT Support.
