Deadline to apply Thursday March 28th at 5pm.

About Berkshire Youth

Berkshire Youth has an 80-year history of supporting the young people of Berkshire, championing their voices, furthering their development and education, and enriching their lives through leisure time activities.

We are developing a transitional programme for young people through school to adolescence, and a volunteer framework, whilst expanding our network of youth projects and youth clubs. Our aim is to develop and deliver high quality provision to young people, develop partnerships that enable the future sustainability of Berkshire Youth and ensure consistent and good governance.

About the roles

With this strategy in mind, we are looking for commercial, forward-thinking, and supportive new Trustees or Board Advisors who can bring a wealth of experience in three areas, namely:

- Expertise in **digital**, this could be in a range of areas including helping us better use technology to increase internal efficiencies and/or to improve our brand, social media, and business development.
- We are also looking at succession planning as our current treasurer is looking to potentially support us in other areas and so we are looking to appoint someone with experience in **finance and accounting**.
- As our primary focus is young people, we are very interested in welcoming a Trustee with experience of **working with children and young people**, this could be from a variety of backgrounds including education, local authority or through youth work in the charity or not for profit sector.

This is an exciting opportunity to make a difference to the lives of young people locally and be part of a dynamic and impactful board. We are keen to encourage applications from candidates with diverse backgrounds and experience.

If you are interested in learning more about becoming a Trustee and joining the board, or supporting the board in relation to your specialist skills, please email the Chair of the Board of Trustees Sarah.Atkinson@BerkshireYouth.co.uk to learn more. Candidates will then be asked to apply in writing and the selection process may also include a panel interview. References and a DBS check are required upon appointment.

Deadline to apply Thursday March 28th at 5pm.
